MYC News

## Spring sports are underway!

The crack of a bat and ball, the excited shouts of parents, the sound of a starter's gun. These can only mean one thing ~ the start of another exciting spring sports season for the Marshall Youth Club. Athletic opportunities available to youth in the Marshall are track, T-ball softball, Pee-Wee softball, Teener baseball, and track and field.

We are thrilled to have many returning and a number of new youth athletes involved in these sports. It's going to be a busy and exciting year, a year of individual growth and skill development. Please see our webpage [www.marshallyouthclub.com](http://www.marshallyouthclub.com) for current schedules.

Parents and family members are asked to remember the mission of the Marshall Youth Club programs and be there for the coaches, officials, and athletes in a positive, supportive, and uplifting manner.
